

OUT OF ZONE ENROLMENTS BALLOT PROCESS

For those families wishing to enrol their child at Weedons School, who live out of our zone, the following process applies. This is in accordance with the school's enrolment policy and scheme.

Each term the board's enrolment committee decides how many places are available and at which class levels. Initially places are offered to a priority list (e.g. siblings of present pupils, children of board members). If places remain after this, then the following will occur.

A ballot will be held for other out of zone families.

The board holds a ballot **only if** the number of applications exceeds the number of spaces available. Otherwise entry will be automatic.

To be a part of this process parents need to complete and return the form below (post or email to kathybell@weedons.school.nz) by the application deadline date (see below). A ballot will be held at times advertised in The Press (also below).

Families will be notified in writing of the outcome, within 5 days of the ballot.

Parents then need to notify the principal to confirm their acceptance, within 7 days of written confirmation. If they do not respond the place will be offered to another student.

Arrangements for enrolment will then be made for successful applicants. Any specific questions should be addressed to the principal.
